Statement about General Data Protection Regulation May 2018

Data is taken and stored by us to match property requirements with the premises we have available to offer to the market.

We do not share data with any other organisation and the data we hold is kept secure.

If you wish to have your data removed from our data base we will be happy to remove it on request at that time. If you wish to review what data we hold on your file we will be happy to provide this and make any alterations or deletions that may be required.
